GREETINGS FROM CRAFTSBURY

ITS ALMOST CHRISTMAS !

I am very sad to announce that this will be the last season that Craftsbury Christmas Farm will be open.

Opening Day is Friday November 24th

We will be open Saturdays & Sundays from 9:00 to 4:30 through December 24th.
(we will close to gate for the last time at about 12:00 Noon on 12/24 weather permitting).

I'm sending this letter early this year so you can spread the word with your family and friends that we are closing.

This years' crop is one of the best we've ever had!

The price of trees is reduced to **\$40.00** and there are plenty of smaller trees available at low cost for you to use as a "table top tree" or for decorating on your front porch or back deck or maybe your office. Seedlings will be available so you can take a piece of Craftsbury home to plant in you own back yard.

COME BACK TO CRAFTSBURY AND HELP US CELEBRATE OUR LAST YEAR

My cousin John Patterson sold the first Christmas Tree grown on the farm in 1989. For the past 23 years I have had the pleasure and privilege to own and operate Craftsbury Christmas Farm. Please come back to the farm one last time for your perfect tree, sit around the fire in the teepee, have a candy cane and cup of cocoa and allow us thank you for doing your part in helping to make Craftsbury Christmas Farm such a special place for me, my family and friends and for so many others.

**KEEP YOUR FAMILY TRADITIONS ALIVE WITH A
REAL CHRISTMAS TREE**

The (last) winner of the **FREE TREE** is
THE SWEENEY FAMILY
Of Guilford
CONGRATULATIONS!
